Great help in learning these choruses by chord! Love it.

I bought this for our praise team at church, we really like it.

great book

good

I needed a jump start to playing guitar at my church. This was very helpful.

I've played guitar for years, and even though this book is geared for beginners, I found it really helpful. Combined with the author's videos available on YouTube or his website, the instruction is really top notch. He brings a simplicity to worship songs that also sounds great and is reverent to God. He explains techniques and tips in a very straightforward way that makes it really easy to learn.

Michael is great. He shows you how to play with such ease and Grace. He makes it look easy and makes me believe that I can play the song and worship our Father in a beautiful and talented way. I recommend you purchase this and you too will be waking up early so you can practice and play.

Great in its simplicity and smart technology !!!! I'm very happy with my purchase !!!
