Medical Coding: ICD-9 & ICD-10-CM: Quick Study Guide (Quick Study Academic)

Synopsis

The health care industry is moving toward a major change in the code set, or â œlanguage,â • used to report the reasons why a physician or health care professional provided care to a patient. Since 1978, the ICD-9-CM code set has been used to report these diagnoses. Within the next few years, the code set will be changing to ICD-10-CM. While there are many similarities, there are changes that those in the health information management profession (and those getting ready to enter this profession) must know and understand. With the use of color-coded text, this QuickStudyÂ® guide helps make the transition easier to understand and simpler to incorporate into work behaviors.

Book Information

Series: Quick Study Academic

Pamphlet: 6 pages

Publisher: QuickStudy; 1 Lam Rfc edition (May 31, 2012)

Language: English

ISBN-10: 1423218728

ISBN-13: 978-1423218722

Product Dimensions: 8.5 x 11 x 0.1 inches

Shipping Weight: 3.2 ounces (View shipping rates and policies)

Average Customer Review: 4.2 out of 5 stars   120 customer reviews

Best Sellers Rank: #49,483 in Books (See Top 100 in Books)   #18 inÂ Books > Textbooks > Medicine & Health Sciences > Reference > Drug Guides   #19 inÂ Books > Medical Books > Medicine > Reference > Drug Guides   #56 inÂ Books > Reference > Encyclopedias & Subject Guides > Medical

Customer Reviews

I have found this quick study guide helpful in trying to memorize for my medical coding classes. Plus it's very concise. Perfect but if you plan on taking the testing for certification, they will not let you take this with. Just good to have for practice.

Great resource for school and the office!

easy to use

Useful

This was OK and for the most part it is a good tool. It's very condensed and difficult to read at times---of course it could be my old eyes.

This is just the right size to carry to work. I am studying the ICD 10 now and I can take this out and read over it at work The other staff want to use it over there breaks. I have no fear of giving it to them because I know that they can spill coffee on it or any thing else.

big help

GREAT CHEAT SHEET!!!!!!
