Fantasy Characters: Easy-to-Follow Clay-Making Projects In Simple Steps (Modeling Clay Books)

Synopsis

Hours of fantastical fun await with simple projects for creating mermaids, dragons, dinosaurs, superheroes, and even a flying horse, out of clay! Parents and teachers will be surprised at how simple it is to create brilliant characters using clay œballs and sausages • as a starting point. Book covers materials needed, basic techniques, and provides more than a dozen fun projects.

Grade Level: Kindergarten - 4

Customer Reviews

daughter thought it was interesting, but could do better/more involved with the characters

The kind of thing you buy because it looks awesome, but the inside is more complicated than expected.

My 7 year old son LOVES this book because he can see the step by step instruction and do it himself with little to no help.

Great projects and easy to follow!!

There was not enough selection in the book. I expected more options...we could have found these options online.

I bought this for a younger family member and he loves it!

This is a great book for kids 6-8 who like to create with clay. My daughter loves it and so do her friends. We give it as a birthday gift along with some modeling clay and that has been a big hit! Plus it's really nice to give a gift that inspires creativity instead of giving plastic.

This book has some great ideas, but instructions are minimal and they don't explain how to keep the clay from getting fingerprint marks and look smooth. Just go online for some free ideas instead of wasting your money.
