# Make Papel Picado (TIME FOR KIDS® Nonfiction Readers)

## Synopsis

Do you have something to celebrate? You can celebrate by making papel picado! Featuring vibrant step-by-step photo instructions, this nonfiction book helps introduce children to another culture through craft-making and designs. About Shell Education Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.
