Customer Reviews

This is a great story and well written in a style that makes it a fun and an easy read while providing all the background and insight into this amazing super star! Kids and adults alike will find this a rewarding read. -- Francis J. Fabian Jr. ".com"

Michael Part is a soccer fan, a screenwriter and author. Michael wrote the critically acclaimed The Flea - The Amazing Story of Leo Messi, Cristiano Ronaldo - The Rise of a Winner, Neymar The Wizard, The Pope Who Loves Soccer, and his much anticipated new book, Balotelli The Untold Story to be published by Sole Books in September, 2015. He also wrote the Disney classic movie, A Kid in King Arthur's Court. Michael is also the editor of a number of young adult books as well as the American editor of the bestselling children's series of books, The Wild Soccer Bunch.

I bought this for my 11 year old son who is a big fan of soccer (football) and Messi. He is not a big

reader but he read this book twice! He told me about each and every chapter that he read. After he finished reading it for the second time I picked it up and read it myself! I can see why he enjoyed it. This book tells the story of Lionel Messi starting with his childhood and introduces you the reader to the people and events that shaped his life and ultimately his career in a lovely storytelling fashion. I found myself being so interested in his journey that the book was hard to put down!

My son's teacher requires him to read 45 minutes every night so I picked out this book. My son is a soccer fanatic and loves Messi. Reading this book is a lot of fun and is very interesting. Perfect for elementary school kids.

I'm sure it was the subject matter, but he couldn't wait to read this every night. He would read it before school, and when he was done reading it, twice, he lent it to his friends with great enthusiasm that was contagious. Great for a boy who loves soccer more than reading.

My 10 year old daughter loved this book. My husband and I also read it and couldn't put it down until we were done. It's a quick, easy and informative read.

My son wanted to know more about his favorite soccer player. His life as a kid and more. It's a big chapter book, I was surprised with my son he usually needs pictures .

Amazing book!! finished it in one day I could not put it down! I would definitely recommend this book to any soccer fan

My grandson opened this on Christmas eve and I was told he read it cover to cover and then explained why Leo Messi is the best soccer player ever.

My nephew doesn't enjoy reading, but I bought this for him and he seemed to actually want to read!
