Greek People

Synopsis

Greek People explains the ancient classical Greek world by focusing on individual personalities--what is known about them and their world views. Both famous and everyday individuals become lenses through which the reader can understand the values and characteristics of ancient Greece.

Customer Reviews

Professor Robert B. Kebric teaches Greek and Roman History, History of the Olympic Games, and the Humanities at the University of Louisville. He is the author of a number of books and articles, including Greek People, and the companion volume of Roman People. He was born in Palo Alto, California, and attended the University of Southern California, where he was a Phi Beta Kappa and a Woodrow Wilson Fellow. He received his M.A. and Ph.D. from Binghamton University in New York. He has been a historical consultant to Time-Life Books and is a published photographer. He has directed and taught programs of study in Greece, Italy, Egypt, Turkey, and Israel, and spends extended periods in England, Australia, and Hawaii. He lives with his wife, Judith Hartung Kebric, and four basenjis in Louisville, Kentucky.

Greek History at its best. The author hit the jackpot with this book. I usually hate history books, but this one is very interesting. Rich Kurban and Harry Grivakis would love it. Even the great historian Brent Clef would enjoy it. Nothing compares to Homer's Odyssey or Iliad, except maybe The Snake, by Them Fakanegaz.

Nothing compares to this excellent book on early Greek culture. Greek history has never been so interestingly written. This book depicts the origins of our modern society. It kept me up all night!

Nothing compares to this excellent book on early Greek culture. Greek history has never been so interestingly written. This book depicts the origins of our modern society. It kept me up all night!
