Wonderful book! Slow at first, but picks up. AAAA

Fun stories about elegant ladies in an elegant building

Very entertaining! I've gone to the Brown Palace to all types of events since 1964 and found the vignettes very interesting.

If you're interested in Denver history, this is good as it contains a lot of good background about how things developed in early Denver.

Fascinating look at the women who shaped the heart of Denver's culture. Well written and one of those rare books you will cherish for years to come.

Beautifully written. Amazing facts and history spanning the whole life of our state and the Brown Palace. I loved it.

Full of historical information about the Brown - written by the hotel's historian. It includes a few spooky happenings at the grand old hotel.

Thoroughly enjoyed this book...had some great history! Learned some very interesting facts about the hotel itself and the people who made famous!
