Big Girls Use The Potty!

Synopsis

These colorful books use friendly images and rhyming text to encourage kids to develop good behavior patterns. As an added incentive, each title comes with a sheet of star stickers and a special reward chart. Each time kids meet one of the goals, a star goes on the chart! These two engaging books take the worry out of toilet training by motivating boys and girls to get excited about using the potty.

Best Sellers Rank: #13,086 in Books (See Top 100 in Books) #18 in Books > Children's Books > Growing Up & Facts of Life > Health > Toilet Training

Customer Reviews

My daughter was very excited by this! We introduced her to this right when we started the potty training process. She was potty trained well before we could get through all of the stickers, and after while she didn't care about stickers or prizes for going potty, but she also goes to a school that really helps to get kids potty trained fast.(Peer pressure) The book is cheesy, but the stickers are genius and she still likes using the stickers for fun.

My daughter likes seeing real kids on the potty in prep for her getting potty trained. I appreciate it, because she wasn't sold on the concept and she's opening up to it now that we started reading this daily.

Now that my kid has hit the 2.5 age range, she really likes looking at this book and "reading" it on the potty. She likes the stickers too, even though they are simple and nothing special. It's a good little potty book for the bathroom breaks.

I like the pictures but everything seemed so packed within each page. It would be nicer if they can have the pictures bigger for each pages and more pages so it would be easier to point out to my daughter what's going on in the pictures. but I could see how it could make it more expensive.

Has a chart and stickers but the story is okay.

Daughter loves the book!

It did not come with any reward chart or stickers, the book looks like it's been put thru hell and half of Georgia. I will not recommend this to anyone for their child.

Good book to teach little girls about using the potty. Our 2.5 year old enjoyed having the book read to her and it comes with stickers and a chart.
