# Teaching Introduction To Theatrical Design: A Process Based Syllabus In Costumes, Scenery, And Lighting

## Synopsis

Teaching Introduction to Theatrical Design is a week-by-week guide that helps instructors who are new to teaching design, teaching outside of their fields of expertise, or looking for better ways to integrate and encourage non-designers in the design classroom. This book provides a syllabus to teach foundational theatrical design by illustrating process and application of the principals of design in costumes, sets, lights, and sound. Â
