Customer Reviews

That is the best I can say. My daughter has been playing Oboe for 3 years. This was a christmas present. She absolutely loved this book, no complaint at all.FYI: Oboes can also play violin sheet music, they might not be able to hit the extra low notes, though. (My daughter's Woodwind teacher explained that to me.)

I am an Oboist and I love the Beatles. This book is great! I recommend this to all Oboist!

the beatles were terrible, they sound even worse with an oboe
