A classic in children's literature for nearly half a century, The Berenstain Bears are back with four all-new books that teach children how God wants them to live. These picture books focus on doing the right thing, saying prayers and going to Sunday school—all through the silly antics and delightful humor of the bear family. • (Focus on the Family Clubhouse Jr) Preschoolers will love exploring classic Bear Country with the familiar Berenstain Bears in their newly released faith-based series • (Children's Ministry) Michael's enthusiasm about his work is contagious. He is not only committed to creating sound, edifying instructional literature for young children, but he is energized by his continuing opportunity to challenge children and their parents to think seriously about significant life issues and practices such as giving thanks, loving near-and-far neighbors, applying the rules of good sportsmanship and nurturing relationships with each other and with God. • (Homecoming) Kids ages 4 to 7 will love these. • (Homelife)

The Berenstain Bear series helps children learn how God wants them to live every day. When the Bear family practices going to church, praying, and being kind, plus remembering how much God loves them, their lives are much more joyful. In *The Berenstain Bears Say Their Prayers*. Brother Bear discovers that God answers every prayer---in his own way and time. Children will learn, along with Brother Bear, that praying isn't just for bedtime.

Purchased for my grandniece and nephew (who are 4.5 and 21 months old). I think the book is for slightly older children. References "GOD" and "prayer"; not Christian specific. (Though I was believing it would be - --just my belief, description did not reference that). Overall, cute book with a message of encouraging prayer and a grateful attitude toward GOD.

It's so nice to have Berenstain Bears books that actively talk about the Lord and teach open Biblical principles. The lesson in this story was good, well put so little kids can understand, and teaches an important lesson about prayer, that God is not a genie in a bottle there to grant our wishes. Glad we found this book and the other Living Lights Berenstain Bears books.

We love these books! It's so nice to have cute stories that help reinforce the beauty and power of prayer. We purchased many of the books that have a God-loving message and we so appreciate how darling the stories are.

My 3 1/2 year old loved this book. She was entranced by the story and has learned that prayers can be said at any time. She enjoys it so much she wants to read it again right after we've finished it. I love the message that prayers are always answered, though not always as we expect. I would recommend this book to anyone who needs a simple and entertaining way to help a little one learn about praying.

I just read it because I loved these books when I was young, but it's a nice book. I think it teaches little kids to pray for, not always success, but for stuff more necessary like being fearless. It's really good and I reckoned for parents with -6 yr kids.

Got for my grandchildren. They love to hear the stories and these books have good life lessons as well.

The Berenstain Bears books are some of my grandsons' favorites. They ask for them to be read over and over!
