Shaw pits a clever heroine against a memorable gallery of rogues in this superbly intelligent -- and still shocking -- comedy, banned for eight years from the English stage. An L.A. Sparkly and beautiful. Velcro closure. She loves them!

Book was great quality, wasn't my favorite read but was definitely a New Woman text!

Great read for book club discussion

wish they did have more arch support but overall my daughter loves them because they light up

ok

This book is obviously computer generated. Very poor pagination, the type is too large, it is incredibly poorly paginated. The line wrap is horrible. Not recommended from this publisher!

Exactly like described. Fast shipment

it was very concise, quite like this review, however the big shocking twist doesn't withstand the test of time. it comes off as quaint and almost unnecessary.
