# Teeline CPA Exam Review 2017â€™ Auditing And Attestation: Includes Donation To Humanitarian Relief

## Synopsis

Teeline donates 30% of proceeds to charities that fight poverty and disease. Now with over 500 FAR & AUD sales in our first year! Thanks, readers, for all your help and support. Teeline publishes a compact, 28-page review for Auditing and Attestation. Our books and posters are meticulously researched, and we write with full context and clarity. We do not believe students must memorize 300 pages of review to pass the CPA exam. And, given fewer pages, we find that students have greater retention. To lighten our books, we use wider page margins, decrease font, and eliminate redundancy. We use tables because they structure and compare information efficiently. We teach with examples. And we improve the quality of our writing. The result is AUD in 28 pages. Teeline does not publish multiple choice questions. But there is a free way to practice hundreds of MCQs: [www.cpareviewforfree.com](http://www.cpareviewforfree.com).

## Customer Reviews

I bought Teeline mainly because it was affordable. If I didn't like it, I was willing to switch to another review. But I never needed to. The best way I can recommend Teeline is that it answered my questions without creating a lot of new ones. I usually don't make any progress when I try cram/cliffnote materials, but here the quality is good enough that I trusted the source. As in, if something isn't mentioned in the book, then it's probably OK to skip. I'm not sure how well their model works on other exams (never tried Teeline FAR, I used Yaeger to pass back in January), but it seems appropriate for audit.

I bought Wiley and Teeline at the same time because I want to be well prepared. I tried to read Wiley, but I found it too hard to remember. Instead, Teeline is direct and everything is written carefully. It also answers most of the Wiley multiple choice questions.
