I bought this book first at the museum gift shop on the main square in Santa Fe. I loved this artist (exhibited in the museum) and wanted a souvenir of this beautiful state that his pictures so artistically represents. Once home I found myself often looking at these lovely pictures of Baumann's wood cuts. Wanting to share this beauty, I ordered a second copy for my ninety year old cousin. It made a unique and loved gift.

Beautiful prints, great postcards.

Lovely.
