## Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Arrived very quickly. As in all collections, like some of the arrangements but not all

Just my speed and experience on the piano with some challenging parts to work on. Love it!

My wife and daughters love it.

excellent condition; some pieces have jazz elements, though, and I must change that for my use.  
Great variety of pieces

Beautiful arrangements though a bit of a challenge for me. I'll just need to practice more than usual.

Have purchased Glenda Austin arrangements previously and for me this book was better than the first. Very pleased.

I like several of the pieces in this book. It has very nice arrangements. I use it to play solos at church on Sunday.
