Publisher: Berlitz Publishing; Pap/Com BI edition (October 1, 2012)

Language: French

ISBN-10: 1780043694

ISBN-13: 978-1780043692

Product Dimensions: 1.5 x 9 x 11 inches

Shipping Weight: 1.8 pounds

Average Customer Review: 2.0 out of 5 stars 7 customer reviews

Best Sellers Rank: #1,070,777 in Books (See Top 100 in Books) #52 in [Books > Books on CD > Languages > Language Instruction > French](#)

Customer Reviews

I should have listened to the other reviewers. This is not Berlitz's best effort. I listed to Berlitz "Basic French" on cassette years ago and that was EXCELLENT. I hoped this was the same or similar on CD. It is not. The cassettes were complete immersion that started very simple and slowly and then got progressively harder as you went along. It was a great way to learn. This is no where near as good. If you can find Barron's "Express Track to French", that is FAR better and has great dialogues.

This Berlitz Basic French was so disappointing. I thought having the CD would be very helpful, because no matter how many workbooks you purchase, it's almost useless if you don't know how to pronounce the words you're studying. The activities weren't good. SKIP this book, and do your research for a better company.

Item got here really quick! Down side of this is that they speak way to fast to understand how to say the words.....need to go back over and over to get it...wanted this book for a long time, really disappointed

Poor quality cd, workbook vaguely attached to cd, and just overall disappointing. Free material on web more useful than this product.

a very old way of teaching language. It is like using a tape recorder rather than a computer. I have used computer courses where you can practice by speaking into the computer

My daughter bought it for me. I found I couldn't keep up with the CD. This is supposed to be "Basic" and the course book should explain what's said in CD's. Many words and phrases are not found in the book. Poorly designed.

Ok, I just bought this book/cd at Barnes/Noble. Very disappointed. The cd barely correlates to the book. Confusing with "Lessons, Activities, and Units"?? Huh? I couldn't figure out what 'vous desirée' meant because the recording said it but it wasn't in the book. I don't even know how to spell it. Buy something else
