The Creative Spirit: An Introduction To Theatre

Synopsis

Focusing on the collaborative and creative processes that go into productions, *The Creative Spirit: An Introduction to Theatre* introduces students to the theatre through the plays themselves and the people who write them, create them, and act in them. The book provides a rich context for each play with a discussion of the playwright's other works, sources for the play, timelines that present historical and cultural background, and a section on a particular production of the play to give students a sense of the theatre industry at close hand. *The Creative Spirit* includes complete scripts of five plays: August Wilson's *Joe Turner's Come and Gone*, Wakako Yamauchi's *And the Soul Shall Dance*, Tony Kushner's *Angels in America*, Milcha Sanchez-Scott's *Dog Lady*, and Nilo Cruz's *Anna in the Tropics*.

Very thoughtfully written book on everything having to deal with all aspects of theatre, as a student I truly enjoyed reading this book as a college theatre class requirement. I actually wanted to keep going myself, the book makes you want to read on.

great resource

Nice, quick to ship

I am new to the theatre, but had to take this class as a requirement. This book was very interesting and informative. If you are new to the art of theatre, then this book is for you. If you have to take it because it's required, don't worry, you'll enjoy the book. It was easy to read and understand as it was enjoyable.
