Really nice layout, with directions to get to each trailhead, what to expect during the hike (distances, landmarks, and where other trails meet up), as well as a trail map and concise summary.

Book is well done, unfortunately not able to carry on hikes. Suppose could take a pic then hope to connect. Great info, I need a smaller book to carry.

Very useful if you're hiking in the Pikes Peak/Colorado Springs Area. Descriptions were on point and helpful.

send it to my boyfriend , low price. The product was very sharp and smooth when cutting thin slices of bread. the most professional service. good product with high quality.
