A Smart Girl's Guide: Friendship Troubles (Revised): Dealing With Fights, Being Left Out & The Whole Popularity Thing (Smart Girl's Guides)

Synopsis

Learn what's new when it comes to being a good friend--our popular advice title now features fresh content and new illustrations! Friends are important to girls; they're the icing on their cake, the rainbow in their sky. But even best friends have trouble getting along sometimes. This guide will help girls deal with the pitfalls of interpersonal relationships, from backstabbing and triangles, to other tough friendship problems. It features fun quizzes, practical tips, and stories from real girls who've been there--and are still friends.

Grade Level: 3 - 7

Customer Reviews

Helping my 5th grader deal with different types of friendships. Learning what is acceptable and what is not acceptable being a friend and finding a good one.

As a social-cognitive specialist, I am always on the lookout for tween-appropriate books that reinforce the social learning concepts I am teaching. I love this book (and many others from American Girls)! I am consistently impressed with how grounded the ideas and concepts are in current research and love that the book is intentionally written FOR tweens and teens (doesn't require major amounts of adult interpretation). I lead a 6th grade book club for girls at the school

where I consult, and this book is the highlight!

love everything American Girl and my granddaughter is at the age where friendships are sometimes hard and sometimes fail. It is so hard for young girls to not blame themselves for other little girls fickle minds. This is a good book for pre and teens.

I love reading these with my 11 year old daughter. These books addresses great topics for girls this age, and gives my daughter and I the opportunity to discuss things in a helpful way.

this is the perfect gift for your middle-schooler trying to navigate relationships.she was thrilled to get it. great value.

I bought this book because my daughter was having questions about her friendships, and I was recommended it by a friend who said her daughter was really helped by it. This book has several chapters which are focused on different arch types of friend, like the "bully" or the "know-it-all". It describes vignettes of relating to this kind of person and then what you can do when things go south.My daughter read it over and over again

My two grand daughters age 8 and 11 really enjoyed this book. I am sure it will be useful to them as they interact with friends,

Great book to help girls navigate through the drama friendships may create.
