The Who Would Win books are my absolute favorite of all time! They make learning about each animal more relevant by comparing the two and then save the "fight" for the end (which is tame, don't worry). My 3 and 5 year olds love these books and we do too! I'm rating all of them 5 stars!

:)

This series of books is a big hit for my 6 year old boy!

My daughter who is 8 started reading these books last year and Loves them!! It is one of the few things she will pick up and read without being told :)

My grandson was very happy

Love all the "who would win" books. My grandson loves learning facts and is excited to receive each one I order.

My 7 year old twin boys love this series. Just the right length for bed time. Informative and interesting.

Fun book- cool facts and illustrations.
