I like it!

Perfect for third grade reading level.

great book and good price!

just OK . very fast, receive it next day. New to making homemade bread. nice, feel good. my sister,

Beautiful story about the importance of childrens heritage

My little 4 year old girl got a little bored because it hardly has any illustrations to go with the story. I think the story is good for older children.

I ordered the book, but didn't realize it was the Spanish version. This was my fault not 's. However, I don't feel that this review should carry any weight. It was too much trouble (for the price) to send it back, so I gave it to our school's Spanish teacher.
