Siddhartha: New Translation By Joachim Neugroschel

Synopsis

In the novel, Siddhartha, a young man, leaves his family for a contemplative life, then, restless, discards it for one of the flesh. He conceives a son, but bored and sickened by lust and greed, moves on again. Near despair, Siddhartha comes to a river where he hears a unique sound. This sound signals the true beginning of his life -- the beginning of suffering, rejection, peace, and, finally, wisdom

Customer Reviews

Winner of the 2012 Fifty Books/Fifty Covers show, organized by Design Observer in association with AIGA and Designers & BooksWinner of the 2014 Type Directors Club Communication Design AwardPraise for Penguin Drop Caps:"[Penguin Drop Caps] convey a sense of nostalgia for the tactility and aesthetic power of a physical book and for a centuries-old tradition of beautiful lettering."â "Fast Companyâ œVibrant, minimalist new typographic coversâ |. Bonus points for the heartening gender balance of the initial selections.â •â "Maria Popova, Brain Pickings"The Penguin Drop Caps series is a great example of the power of design. Why buy these particular classics when there are less expensive, even free editions of Great Expectations? Because theyâ ™re beautiful objects. Paul Buckley and Jessica Hischeâ ™s fresh approach to the literary classics reduces the design down to typography and color. Each cover is foil-stamped with a cleverly illustrated letterform that reveals an element of the story. Jane Austenâ ™s A (Pride and Prejudice) is formed by opulent peacock feathers and Charlotte Bronteâ ™s B (Jane Eyre) is surrounded by flames. The complete set forms a rainbow spectrum prettier than anything else on your bookshelf."â "Rex Bonomelli,â The

New York Times "Drool-inducing." "Flavorwire" Classic reads in stunning covers "your book club will be dying." "Redbook" --This text refers to the Hardcover edition.

Hesse is a rare master of spiritual fiction, and *Siddhartha* is one of his most enlightening and inspiring novels.

I bought this book for an english class, was skeptical about this because i was just not interested in buddhism (no offense), but this book is so craftily written, I've read this book three times for self pleasure, I love it, definitely opened up some opinions in me and Mae me think and centralize myself, I recommend it to the extreme, buy it! Totally worth it!

A classic. Should be read and re-read by everyone.

I had this book back in the 1960s and must have read it a half-dozen times. Even named my dog *Siddhartha*!!Was trolling around and found the audio CD online and decided I had to have it. Listened to it, then knew I wanted the book again. And still a great read after all these years.Herman Hesse kept me glued to the page from front cover to back. Would highly recommend this.

One of the best books I have ever read.

Translated well and worth the time to better understand those who are on a struggle to find the middle path.

Read it again and again. Samsara will begin to melt away. Sitting at the feet of a guru can help, but embracing all of life's experiences is the only path to understanding the river that is the cycle of life.

This is a classic story by Hesse and a good literary introduction to Buddhism, but it needs to be followed quickly with an introduction by a Buddhist, such as Rahula, *What the Buddha Taught*.
