Age Range: 7 - 10 years

Grade Level: 2 - 5

Customer Reviews

My 6 year old son loves this handbook. He reads it all the time. It's pretty cool because it mostly focuses on the "old school" Pokemon.

My 3.5 old son is crazy on the book. He reads it everyday for long time and asks me to read the text for him. He recognizes a lot of PokÃ©mon. I am happy to see he is absorbed at reading books that are not cars/trains/planes. Book quality is very good. Clear picture and smooth touch.

Pretty basic, since it only covers the first 150 Pokemon, but our Pokemon-obsessed 6 year old boy was thrilled. Even our 3 year old daughter loves looking through the book, seeing which ones evolve

into which, and was begging for her own Pokemon book. Great for a beginner.

Son hasn't put it down yet

Its a gift for my son. I am sure he will love it!

Great information and descriptions.

My son loves this.
