# I'm A Ballerina! (Little Golden Book)

## Synopsis

A little girl invites us into her ballet class, and later performs onstage (gulp!) in her first recital. Young readers will enjoy seeing what happens in a class, and young ballerinas will see themselves in this book.

SUE FLIESS is a master at writing engaging stories for preschoolers. She penned *Robots, Robots Everywhere!* and *How To Be a Pirate* for Little Golden Books. Find out more about Sue at [suefliess.com](http://suefliess.com). JOEY CHOU is an animation artist and children's book illustrator. He illustrated Disney's *Frozen: Anna's Act of Love/Elsa's Icy Magic Two-in-One Pictureback* for Random House.

The story of a little ballerina is very sweet. It is a story of a little girl about to do her first ballerina recital. The book goes through the five positions in ballet and more. The illustrations take the book to a whole other level. My grandchildren have several Joey Chou prints in each of their bedrooms so I am always looking for something with his artwork. When I found this story, both the mother and the daughter reminded me of my daughter and granddaughter so I had to buy the book. I even have a

picture of our little one which looks like it belongs in the book. Very sweet and, as always, Golden Books are such a wonderful bargain. I had them as a child, bought them for my children, and am now buying them for grandchildren. Amazingly, we still have most of the books that have been in my family for decades.

My 3 year old has just shown interest in ballet, so I thought this book would be perfect and it is. She really enjoys when we read this book even when it is 4 times a day. The illustrations are very nice and colorful. I think it is written very well, I like the rhyming and the cute story. I have always been a fan of Little Golden Books and this one like many others has continued to impress me and entertain my girls.

My ballet-obsessed toddler insisted on reading this book over and over... and over... and over.... and now she has it memorized. It's not a classic Little Golden Book, but the illustrations are adorable and the story is sweet.

I have collected Little Golden Books for more years than I can count! I am always interested in new ones and this one measures up to any in my collection and I am confident it will withstand the test of time and become a collectible. My adult daughter loves ballet and I will have to either hide this when she comes to visit or purchase a copy for her.

My 3 year old girl is currently in an "I'm a ballerina!" phase. This book is simple and cute, and my daughter loves it. It's a short book, so I keep it near her potty where she reads it all the time.

Such a cute story! I got this for my daughter as part of her gift for her first recital. It was perfect because the story is about a little girl who has her recital. My daughter loves it and wants me to read it all the time.

My granddaughter was so excited to see the Little Golden Book about a Ballerina. She takes dance and has danced in the Nutcracker. Great book

This little Golden Book is going together with a fabric ballerina doll as a gift to 2 year old great-granddaughter. I can visualize her snuggling with her dollie and her daddy read the "I'm A Ballerina" book to her at bedtime.
