Loose Tooth (My First I Can Read)

Synopsis

A funny and reassuring My First I Can Read Book about a child's first loose tooth, now in paperback! A young boy wakes up one morning to find that he has his very first loose tooth. But no matter how much he pushes, pulls, and wiggles it, it just won't come out. This is the perfect book for young readers who are excited about losing their teeth, too. Energetic and engaging, this simple story is just right for the youngest beginning readers.

Grade Level: Kindergarten - 3

Customer Reviews

PreS. "My tooth is loose!" The series is My First I Can Read Book, and the story is straight from every preschooler's experience, told in simple repeated words and clear, energetic, colored pictures outlined with thick black lines. Close-ups show the anxiety and the physical facts every kid knows: "I can see it. I can feel it. I can pull it. I can push it." The little boy wiggles his tooth for Sister and for his dog, "But it won't come out." Everyone has a suggestion: Brother recommends pulling it; Sister advises him to wait. But it comes out on its own--now there's a hole where the tooth used to be! The elemental story will show new readers that books are about them. Hazel RochmanCopyright © American Library Association. With a few words, lots of repetition, some rhyme, and good rhythm, this story is perfect for beginning readers. • (School Library Journal) Praise for THIS IS THE RAIN: "As essential to library collections as rain is to summer sunflowers." • (Kirkus Reviews) Praise for THIS IS THE SUNFLOWER: "A simple, elegant book, filled with a little information and a lot of pleasure." • (School Library Journal)

Love that the rating level is posted on here. This book is great for a novice reader.

My reluctant reader enjoys reading this book. I got it for him when he got his first loose tooth and that helped to make him want to try to read this book. It was easy enough for him to read without frustrating him.

Gift for a 5 year old and she couldn't wait to read it. Good graphics.

My 5 year old found it very uninteresting. And he thinks everything is amazing.

Good book for explanation. He totally freaked out when he found it wiggle!

My grandson loved the book.

Great book super fun. Helped my students with autism to accept having their teeth fall out without fear!

Kids love it especially when losing teeth at this age perfect !
