Best Sellers Rank: #99,667 in Books (See Top 100 in Books) #8 in Books > Arts & Photography > Music > Songbooks > Brass > Trumpets & Cornets

Customer Reviews

Composer: Vassily Brandt. Arranger: Robert Nagel. For Trumpet. 34 studies on orchestral motives.

This is a standard etude book for trumpet; it has a Germanic flavor, with etudes often based on military-like patterns, composed well, musically. These etudes are not as lyrical and musical as Bousquet's nor, especially, Charlier's, and they are much less demanding than Smith's "Top Tones" etudes. But, for a developing orchestral player Â¢Â ª well, for any trumpet player Â¢Â ª they make a nice base to re-touch frequently, I think. Some of Brandt's etudes are built off figures in the orchestra repertory, for instance, the Lenore calls. The range called for is the lower two octaves, with high C the regular upper tone in a given study, which means the player can focus on air flow, tone quality, and articulation with limited stress. Fundamentals, fundamentals!

I ordered this product a long time.ago, I got an incorrect order so I asked for a refund.

Awesome book. A staple in my trumpet routine. If you don't already have it, you need to get it. One of the best books out there. Nearly as essential to me as the Arbans.
