Customer Reviews

My 7 year old started taking piano lessons and her instructor uses the Suzuki books. She is doing GREAT with this book, I am highly impressed! You have to get the book that includes the CD in order to get the full benefit and learning experience. I have already told a Co-worker about this book and he purchased it for his Niece. Great for any beginner.

Thank you!

Came in new condition, contained volumes 1 & 2 just as promised.

This is the old version and shouldn't be purchased by new students. The songs are much faster and the Twinkles are played very differently. Make sure you buy the new edition!!!

I am a Suzuki Teacher and have used this for years. I highly recommend Valerie Lloyd Watts to a new teacher.

kids love it

This is the most fundamentally sound, creative and compassionate method for introducing the young mind to the life and music.

very calming for my 2 year old.....preparing to enroll him in piano school....
