Sara Pennypacker is a bestselling author whose title include the Clementine series: CLEMENTINE, THE TALENTED CLEMENTINE, and CLEMENTINE's LETTER, the Stuart series: STUART'S CAPE and STUART GOES TO SCHOOL, and the picture books PIERRE IN LOVE, and SPARROW GIRL. Sara lives on Cape Cod, in Massachusetts.Martin Matje illustrated many books for children including HARRY AND LULU, WALLACE HOSKINS, THE BOY WHO GREW DOWN, and CELESTE: A DAY IN THE PARK, THE INK DRINKER, and DO YOU BELIEVE IN GHOSTS.

This story is cute, funny, clever, exciting, and really well written. My 5 and 7 year old boy and girl loved it, and so did I! It is now one of our favorites....and that's saying something. I REALLY hope

there are more Stuart adventures to come!

Great book! Faster shipping than expected& perfect condition.

Love the graphics and the pictures. Paper is thick and glossy. My son loves this book.

Fun and imaginative. Full of whimsy especially funny when the toys pretend to be Stuart rather than visa-versa.

Stuart is a lovable third grade boy who gets into all kinds of interesting situations. He's inventive but such a worrier that sometimes I got tired of this little guy. I love Sarah Pennypacker though and her Clementine series is fantastic!

Loved the book for my son

My kids absolutely love Stuart and were so excited for a new addition to the series after all these years. They were so disappointed when it arrived today and found that it was just a reprint. The color illustrations were a fun bonus however.

I want more books about Stuart. He is such a cool character. This is now one of my favorite books. I love when Stuart calls the neighbors for a toast party. This reminds me of another one of my favorite series - Mercy Watson. Please write more Stuart books!!!
