I have been looking for these flute solo arrangements for a long time. It is a wonderful collection, perfect for advanced students, well edited for phrasing and fingerings.

I love this book! I am an intermediate beginner and I can play about 1/2 of the pieces. The others are too difficult, some very much so. They represent a range of styles from baroque to romantic (no modern). The choices are beautiful, IMO.

A+

This is an excellent flute book for the intermediate and advanced flutist. When you order, just make certain you get both the flute part and the piano part.

Very satisfied with the result when unexpected issue happened!

Not bad, but not what I was expecting. Good for a first or second year child student I would guess.

The book showed up really fast and was in perfect condition. Thanks! The solos are great!
