Grade Level: 4 and up

Customer Reviews

It all started when my 5 yr daughter checked this book out from the public library without me knowing. Later that evening, she asked me to read it to her. I started and laughed so hard I thought I might bust a lung. I said "Ask your mom to read this to you" and escaped, laughing as I fled downstairs. Now, everytime my in-laws visit, I have a special book for them to read. Enjoy!
