Customer Reviews

The rhyme & verse bring tears to my eyes every time I read it. Bonus in back of book to write a little letter to grand baby & add pictures. Beautiful, sweet illustrations

Bought both the "Grandma love you" & the Grandpa version and, signed them to read to our new &

first grandchild when he's a tad older; for Christmas this past year. Hopefully the books will be a keepsake of his first Christmas and a story we can read him over & over! ã ã ã ã“

I saw the artwork for this book on Facebook. It is just adorable, so went and found the book. I bought this for my "soon to be" granddaughter. I like the thick cardboard type pages that can be turned by a baby without worry of tearing. My daughter loved the book.

My review is influenced by the fact that this book was given to me by my daughter as a way of announcing that a new grandchild is on the way. What's not to like? :)

Absolutely adorable book! Bought this for my new grand daughter for Easter. Looking forward to reading it to her and it's a great keepsake! I couldn't write on the last page thought, ink doesn't write well on the page, but it isn't troublesome to me!

My son loves this book and loves the pictures in it. Its a nice way of his grandma saying that she loves him, and he'll cherish this book for the years to come. Very nice.

Bought this book as a Mother's Day gift for my mom to reveal that she is going to be a first time grandma! She cried with happiness, I cried with happiness, we all cried with happiness. Adorable book that I'm sure grammy will be reading to our little one all the time :)

As a first time grandmother - this book is a joy to read to my 10 month old granddaughter. She will be moving across the country soon and I plan to read it to her on every visit.
