Brother and Sister worry about spending a week at Gran and Gramp's house. By the end of the visit they've learned a lot from their lively grandparents--and the older bears have discovered how wonderful it is to "be grandparents.

Stan and Jan Berenstain were already successful cartoonists for magazines and adult humor books when they began writing children's books. The first story starring the bear family, The Big Honey

Hunt, appeared in 1962. Since then, more than 360 Berenstain Bears books have been published, and more than 300 million copies have been sold. What began as an idea sparked by their young sons' love of reading has become one of the best-selling children's book series ever.

This was a gift to my mom so she can read to her first grandchild. It's a very cute book and I can't wait for them to read this together.

Great book to read to your kids and also reveal that your having a baby to parents

Exactly what we expected. Arrived ahead of schedule. Perfect for getting our son ready for his first week with the grand parents

Going to be a grandma!

Appropriate for a 4 year old.

Very sweet book. Bought it for my 4 year old before she spent her first weekend with her Grandparents. She loved the story of brother and sister bear being worried at first, but having fun in the end!

I bought this for my sister-in-law who is a new Grandmother. My grown sons loved these books growing up and suggested including this in with my niece's gift.

Love all the books in this series! This is one of my kids favorites. Especially if they stay with grandparents.
