## **Customer Reviews**

My granddaughter loves it she is 4 and already reading very good so this was perfect with more than one sentences on each page but no more than 4 sentences perfect for her so she won't feel like she's reading as she call it a "baby book".

Was a gift. I attached it with the actual gymnast Barbie doll and they loved it.

My daughter is starting to learn to read and this is a great book for her to learn with.

Gift for a great niece. She loves it!

Excellent

Great for beginners

The item was exactly as described and it arrived on time as it was a Christmas present for my granddaughters.

My daughter loves this book. She still needs quite a bit of help with her words but the Barbie gymnastics theme is keeping her motivated!
