Grandson loves the pictures when we read the books to him

It was perfect. I love it

Great collection of short stories.

Cute set of books my for 20month old. Received four books in the box.

My 2.5 year old is obsessed with Lion Guard so I purchased this book set in hopes he would love it. The illustrations are nice but each book is very short and doesn't have much of a story line. I think he might be a little old for it. They didn't really hold his interest which was disappointing, but that's toddlers for ya.....All in all it is a good set but I wouldn't buy it again. They're just ok, in my book. ..

Good sturdy books. My son likes to rip books but these he has not been able to. Super cute.

4 easy to read books. The words on the pages are few so the story line is simple. These books will take you all of 5 minutes to read to your kids. Good for beginning readers. Board book - pages are durable.

Granddaughter loves the Lion Guard and she has already made me read these like a million times!
