101 French Proverbs With MP3 Disc: Enrich Your French Conversation With Colorful Everyday Sayings (101... Language Series)

Synopsis

The grass is greener with this proverb book, enhanced with mini-conversations on an MP3 disc. Adding proverbs to your language skills opens up a whole new way for you to express yourself. But to translate commonly known proverbs word-for-word from your own language into another doesn't work and may even change meaning all together. 101 French Proverbs with MP3 Disc presents their translations and explains how to use them. Humorous illustrations help you remember the meaning of the proverbs. This enhanced edition contains a 90-minute MP3 disc with 101 dialogues, spoken by native speakers, so you can hear how these are used and practice your own use of these colorful sayings.

Jean-Marie Cassagne is an experienced author of language learning titles. Luc Nisset is an accomplished illustrator and materials developer, with experience working with advertising agencies, and the French, African, Dominican, Haitian and U.S. governments, producing health educational brochures and booklets.

Excellent product. Exactly as stated: the book contains 101 French proverbs with a short French passage of dialogue or story, with a recording of the dialogue provided on the CD, which can be copied into your home computer for easy reference and repetition. English translations are provided at the end of the book, which I usually check to see if I have made any errors in understanding

(usually 1 or 2 words I need to review). The dialogues are enjoyable and contemporary, not over-simplified or archaic speech, and the speakers are clear and understandable with native accents. I have been using the book by reading the dialogues aloud as a method of working on pronunciation.
