The Superstorm Hurricane Sandy (True Books: Disasters)

Synopsis

On October 29, 2012, one of the largest, most powerful storms in recent history landed on the coast of New Jersey and proceeded to wreak havoc upon the East Coast of the United States. Readers will discover how Superstorm Sandy formed as a hurricane in the Atlantic Ocean and made its way through the Caribbean and up to the United States and why the storm grew so powerful. They will also learn about the widespread damage and suffering caused by the storm and find out how people are working to rebuild and recover after this devastation.

Customer Reviews

I lived thru superstorm Sandy....this book tells the story and depicts just how bad this storm was. You can really get the emotions we all suffered thru with this book.

I thought it would be a hardcover book!

excellent!

Great Book for children !!! Some of the adults liked it too ...! I'll look for other books on the same subject !!!
