Synopsis

Hooray! SPLASH! Leslie Patricelli's beloved Baby is back! It's time for a bath! Whee! Leslie Patricelli is the creator of a series of best-selling board books starring her adorable bald baby. She is also the author-illustrator of two picture books about the Patterson Puppies as well as *HIGHER! HIGHER!*, a BOSTON GLOBE-HORN BOOK Honor winner. She lives in Ketchum, Idaho.

I bought this book some time ago for my toddler. She is now 5 and still loves all of her Leslie Patricelli books. It is an extremely durable book that has withstood bites, throws, and a good bit of disregard at times. The illustrations are colorful and happy and sure to catch your child's attention. These can be hard to find in stores so I often buy LP books online and give them as gifts since I know most Moms will not have come across them in the store.

My toddler loves these books. This one is especially helpful since he has decided to hate baths out of nowhere. He makes me read it at least 5 times before I have to distract him with something else!

Another fine little book for my grandson. He loves these at a year and a half old he's really getting in to books.

Love the board books for our little 1 year old guy... He really likes to see the baby in the bath, just like him...

Perfect for babies and kids who love or hate baths. Pictures are adorable. Story is cute.

My children love all of Ms. Patricelli's books, but this one has to be our all-time #1 hit. I am not exaggerating when I say I read it 20 times the first night it came out of the box! The genius of these books lies in two areas: the simple text and the hilarious illustrations of the baby...that gi-normous grin gives all of us the giggles. My toddlers love reading along..."whee!" "ow!" etc.

Love! Cannot get over how cute! I laugh everytime we read

REALLY cute book. The electricians are fantastic. The words are simple and parts of it make me giggle. It is a popular book in my house
