Coaching Fastpitch Softball Successfully - 2nd Edition (Coaching Successfully Series)

Synopsis

Field a winning fastpitch softball team year after year with the knowledge and insights of a coaching legend! Coaching Fastpitch Softball Successfully provides the guidance and technical expertise you need in order to build and maintain a competitive team, covering every facet of leading a squad on the field and developing a program off of it. Hall of Fame coach Kathy Veroni, who has won more than 1,250 fastpitch games in her career, and pitching expert Roanna Brazier share their insights and experiences in this authoritative, comprehensive guide to coaching fastpitch softball. From developing a coaching philosophy and planning for the season to teaching the skills and tactics of the game, you will find proven formulas for success within these pages. With practice and conditioning plans, administrative forms, sample scouting charts, tactics for dozens of game situations, and more than 130 drills, Coaching Fastpitch Softball Successfully is the most complete resource available for aspiring and experienced coaches alike. Take advantage of the authors' expertise to gain a winning edge over your competition.

""If you are a youth coach just starting out or an accomplished collegiate coach, this book will help you improve every facet of your game. It provides excellent practice templates, breakdowns of technical positions, game strategies, conditioning programs, mental preparedness, and goal-setting strategies to assist you in building your program. It is by far the best softball book on the market!""Sue Enquist Head coach of the UCLA Bruins, 11-time national champions ""Coaching

Fastpitch Softball Successfully "provides an excellent blueprint for building a successful program. It covers coaching philosophies, training of individual skills, offensive and defensive strategies, and ongoing evaluation and assessment. Kathy Veroni's expertise as one of the greatest coaches in NCAA Division I softball, combined with Roanna Brazier's talent, yield this must-have resource for any dedicated coach."""Gayle Blevins University of Iowa softball coach"

I'm a first year coach and wished I had picked this up WAY before I started the season. There are tons of god drills and advice on how to run a team and instill a sense of purpose that's more than just playing a sport and winning. I loved the way it's written and the ease with which one can pick up lessons from the book. I highly recommend it for beginning and seasoned coaches.

I thought this was a pitching book, it is NOT. It's about adopting a philosophy. If you've never coached before it could be helpful.

I have played softball for years but was new to coaching this year. This book is an easy read with lots of tips, advice and player drills that work for any coach - even includes tips for community service and dealing with media.

Although this book is written primarily with an older age group in mind, I have picked up a great amount of insight for my 8u squad! I am excited to put some of this knowledge to work this Fall.

One of the best books written on the games of softball. Thank you for sharing your knowledge

Coach Veroni!

I gave this to an experienced middle school and high school coach for Christmas and she reports that, despite her years of coaching, she found several helpful exercises and ideas here.

I found this to be a great resource as a beginner Softball coach. This contains a comprehensive list of drills and diagnostics for athletes, but also speaks to coaching hearts and minds.

I was looking for a book to help me with my daughter who is playing in 8U this year. This is not the book for that. While it is an excellent reference, the book focuses on tools and drills that only the older girls can do. I would recommend it for the older girls but not for 8U or even 10U. Well written with lots of details and good pictures.
