## Customer Reviews

Great for aspiring PVZ artists

My grandson's favorite books. The illustrations are great, my 5 year old grandson loves these books. I have bought all that are available.

I bought this book for the quality illustrations and character designs it lavishly exhibits inside. If you're a fan of character design i say this publication is a must.

My son loves this book! ..it's mostly just different drawings. Not a sit down and read kind of book.

But it's cool!

My son loves these books

My 6 year old LOVES this book! He wanted it for ages and was absolutely thrilled to get it for his birthday. Such a fun book with lots of great zombies to look at and read about.
