Synopsis

Welcome to the Puppy Place--where every puppy finds a home! Charles and Lizzie Peterson know a lot about puppies. That's because the Petersons are a foster family for young dogs. Someday, they will have a puppy of their own. Until then, they keep busy helping special puppies find homes. When the Petersons meet Shadow, they know he is very special. He is a cute black Labrador retriever, and he is extremely smart. Everyone agrees that Shadow deserves the best. He will be the perfect puppy for someone. But who will be the perfect owner for him?

Ellen Miles loves dogs, which is why she has a great time writing Puppy Place books. And guess what? She loves cats, too! That's why she came up with a brand-new series called Kitty Corner. Ellen lives in Vermont and loves to be outdoors every day, walking, biking, skiing, or swimming, depending on the season. She also loves to read, cook, explore her beautiful state, play with dogs, and hang out with friends and family. Visit her web site at www.EllenMiles.net.

While I was visiting my daughters family my 8 year old granddaughter asked if she could get a book on my kindle and I said sure. She got the Puppy Place #3 Shadow and began reading and did not put the kindle down until she finished the book. I never read it but she loved it.

My kids love these books! We read them aloud every night.

I love this series because I have four dogs in my house and two more dogs visiting and love them!!!!
