I have to read this book countless times in a day, many times in a row. My toddler loves it; the story is short and sweet, the illustrations are colorful and engaging. And, well, it ends with cuddles with mommy, so, I absolutely love it!

granddaughter loved it

Book is warped but I can fix that with pressure. It arrived on time. Love the book.

This book is mine and my son's favorite bedtime book. We read it several times each night. He is now 22 months old and still loves it as much as he did the first time we read it. It has a nice rhyming flow to it. This story is so sweet as it takes you through the day of a duckling and his or her mommy. It is gender neutral. I am about to purchase my third copy to give as a baby gift. Every mother should have this book to read to her sweet bundle of joy!

Adorable book!

Love this book! This is our second copy because after years of good use our other one was finally starting to fall apart at the binding.

My kids love this book! It's easy to get into it and have some fun while reading! I actually buy this for everyone I know having a kid.

Arrived quickly. Sweet book for the little ones. Makes a great gift along with a Gund Mackey Quackey stuffed toy. Thank you.
