Deceased. JANE WERNER WATSON was a longtime editor of Little Golden Books, Big Golden Books, and many other associated formats. She also wrote a dazzling variety of Golden titles, from the bestselling *My Little Golden Book About God* to an adaptation of *The Iliad* and the *Odyssey*, along with dozens of favorite Disney titles. For decades the Caldecott medalists ALICE and MARTIN PROVENSEN illustrated a wide variety of Golden Books including *The Color Kittens*; *The Iliad* and the *Odyssey*; *The Golden Book of Fun and Nonsense*; *The Golden Treasury of Myths and Legends*;

and Tales from the Ballet. Martin Provensesen passed away in 1987. --This text refers to an out of print or unavailable edition of this title.

One of the best golden books for children counting age and younger! This book is sweet and simple. It follows a little duckling who is looking for someone to take a walk with him, he comes across one of this animal, two of that, etc.. When he reaches the last animals (a group of pigs) they tell him he needs to walk home because it is time for dinner. Just when the duckling realizes he is lost, his family comes around the corner and he decides that this is the best way to take a walk. Children will learn different animals, counting, and a sweet little family message at the end! I was quite impressed with the sturdy quality of this particular book.

Love it. The perfect for the beginning reader.

An adorable book for any toddler/child - good quality board book that should hold up to tiny fingers.

It's a classic. And this is one story that everyone needs to read to their child over and over and over. It's a wonderful book for self esteem and toddlers are little sponges absorbing everything. Read this to them!!!!!! Boy or girl!

Gift for our new great grandson.

Exactly what I ordered! Love it!

Very pleased with boom.

Love these Golden Baby board books. They are what you would expect from Golden and very well made. Not tiny, but not a large book either, perfect middle of the road size. We have several that were available. I wish they would print more of these. This one makes a nice Easter basket gift. Can't think of all the other titles right now, but I think we have Baby Farm Animals, Pokey Little Puppy....really cute books, would recommend them. I bought them when my grandson was a baby and he is still enjoying them as a young toddler.
