The Power Of I Am: Two Words That Will Change Your Life Today

Synopsis

>Whatever follows the words "I am" will always come looking for you. So, when you go through the day saying: "I am blessed"...blessings pursue you. "I am talented"...talent follows you."I am healthy"...health heads your way."I am strong"...strength tracks you down.Joel Osteen reveals how THE POWER OF I AM can help you discover your unique abilities and advantages to lead a more productive and happier life. His insights and encouragement are illustrated with many amazing stories of people who turned their lives around by focusing on the positive power of this principle. You can choose to rise to a new level and invite God's goodness by focusing on these two words: I AM!

Customer Reviews

JOEL OSTEEN is the author of six #1 New York Times bestsellers. He is the senior pastor of America's largest congregation, Lakewood Church in Houston, Texas. More than 45,000 people attend services there every weekend. His televised messages are seen by more than 10 million viewers each week in the United States, and millions more in 100 nations around the world. His 24-hour channel on SiriusXM Satellite Radio and millions of social media followers have prompted numerous publications to name him as one of the most influential Christian leaders in the world. He resides in Houston with his wife, Victoria, and their children. You can visit his website at www.joelosteen.com.

I bought this book for my husband and myself to read, but instead gave it to my 13-year-old son who

struggles with loneliness and depression. He is an exceptionally bright child with a genius IQ level, but fitting in with his peers is a challenge. Frequently, he prefers to hide in his room and read his physics books, study chemistry, and practice math all day long as opposed to getting out and socializing. It is a blessing to be so gifted, but often times children like my kiddo struggle with existential crises and sometimes wonder what the meaning of life is a little too much especially in today's pop culture. I share that only to express what a game changer reading this book has been for my son's mood. He began reading it 2 days ago and the first 100 pages he complained that it was repetitive. Then, yesterday that all changed and he couldn't put the book down. He started coming to me and hugging me and telling me he loved me, which was a surprise and a big deal for him especially at this age considering I'm "Mom"; but also because he has Aspie traits and has a thing about not wanting to be touched. My son has 50 pages left to read, and he says he cannot wait to finish it. He wants more books like this. More importantly, my son seems...okay...and is learning to feel okay with life in a way I have not quite seen before. He is coming out of his room. He is talking more. It is a good response and much better than I expected. A pastor who has the ability to make this big of an impression through a book on my skeptical kid deserves to be checked into. I look forward to reading the book myself, and if possible I will try to make an update. Suffice it to say for now, however, this book earns 5 stars for helping me to be a conduit of hope and love for my child.

In a world filled with you cannot, you are not, you will not, here is Joel Osteen to tell you that you absolutely can, should, and will. The power is inside you to be positive and believe that every day you are considered one of God's miracles. You have to believe in yourself so that others will see you shine and understand that everything about you is unique and perfectly laid out by a master plan designed before you were conceived. Ask yourself what is holding you back and preventing the blessings to come upon you and the answer is always, yourself. Mr. Osteen one word at a time shows you how to release that negativity and find a way to stop talking just long enough to listen to great words coming into your head. Greatness is just waiting to happen for you and by accepting that you are able to take it in amazing things will happen, you just have to believe. You just have to use the power inside you that says I am strong enough, smart enough, and accomplished enough to obtain the wonders that life can bestow upon me. We do so much talking about what should happen vs. what is happening making it difficult to see the great plan that is ahead of us waiting to absorb our lives with joy and the spirit of peace. Be blessed, be great, and every day be sure that I am are words you will always use. In addition to this

wonderful, life altering book there is a book mark inside the front cover that you can carry with you every moment of your day to remind you that I AM is your new mantra for living

The Power of I Am is an awesome book. I purchased this book solely based on its title. (I have never read a book by Joel Osteen nor ever seen his television program.) The book was much better than I expected. It was full of both modern life and Biblical examples of the points Osteen was making during each chapter/section of the book. Whenever I was feeling defeated by life, I grabbed the books and read a chapter or two and instantly felt better. This is a book that is hard to put down. I will be keeping it on my bookshelf as a reference.

I think it's good, the only issue I have is that a good portion of what's in the book I've heard before in his sermons. I also knew most of this anyway from Dr. Dyer's work. Granted Joel uses more scripture from the bible, but the concept is the same. I do like listening to it though (I bought the audio cd) because it serves as a reminder of where I should focus my attention, to stop putting myself down and remember that I AM a child of God.

This book is AMAZING!! Written in a simple everyday language. Short, concise and easy to read, but forward and strong enough to leave you meditating and longing for more!!! recommend this book to anyone who wants do improve the self and go a step further in their personal and spiritual life :)

This is a lovely book. Filled with powerful messages that are easy to understand yet help you to really think about your life and the power that you do have in creating it. I read this every night before I went to bed...and I was sorry when it ended. I enjoy his writing voice...almost like you are sitting over a cup of coffee and chatting. I would have given it 5 stars...if it was longer :) The last chapter seems a bit rushed...but over all a LOVELY book. Off to find another by Joel.

This book sounds like his radio sermons. Doesn't sound original to me, so the message seems less powerful. Disappointing.

I did not order this on kindle because this is one of the books you will read and re-read many times, and I keep it by at bedside. It truly is inspirational and has been a great help to me being newly divorced and sometimes feeling down. Very easy read, you can pick up the book and flip to any page for inspiration. Positive messages we all need.
