Synopsis

Morning has come--and that means bedtime for a very tired Baby Owl. But he keeps insisting: I'M NOT SLEEPY! So what if he gives a great big stretch? He's only preparing his wings for when he can fly. A huge yawn? That just means he's bored, because--after all--owls need LOTS of excitement. This charming tale of a cranky little owl determined to stay awake will be a sure-fire hit with kids â | and their parents too!

Jonathan Allen has created many wonderful picture books for children, including Don't Copy Me, The Little Rabbit Who Liked to Say Moo, and I'm Not Ready! His international success is based on his observant wit, appealing art, and childlike sense of fun. Jonathan lives happily in a quiet village in South Cambridgeshire, England.

I love this author! I bought the Little Rabbit who Liked to Say Moo and I was thrilled to get another book from him. I loved the ending. Sounds hokey, but I genuinely excited to read this book to my son every night.

Hands down one of our favorite books. The book is about a baby owl who is getting progressively angrier as everyone is calling him out for being sleepy. He makes up eccuses in the funniest way as to why he appears sleepy (i.e. is yawning or closing his eyes) but is not!

This book is adorable. The Hubs read it to me and our unborn baby because I tend to say "Im not sleepy!"

for some reason both of my children were not interested in the book at all. :(

Great book for a small child. My daughter loves ready it. The pages are thick and can not easily be ripped.

Very cute book! Perfect for a baby shower

Pretty long and drawn out for younger child
