Customer Reviews

Baby gift.

My son loves this tabbed book. He was able to easily open the pages at 9 months. Now, at 14 months, he still loves flipping the pages and yelling "cat" or "dog." The photos are fantastic. Although, oddly, there is a whole page of baby guinea pigs.

Great pictures. Easy for little ones to turn pages.

My toddler loves this book - great colors, the tabs help her turn pages by herself, and the photography is sharp and clear. Recommend!!

This book is so cute I've bought it twice as a gift!

Love these books!!! Great photos and my daughter loved to page through them and point!! A must buy for your small child!

Vivid picture. My child loves it.

My 15 months old daughter absolutely loves this book. She loves to make the animal sounds and wants to read this one over and over again. After checking it out at the library, I decided it's a must have and it will be in her Easter basket next week!
