Comanche

Synopsis

When Andrew Apperley visits his brother David in the East, he brings along an unexpected companion. Andrew's giant wolf dog, Comanche, is so wild that he has to be chained up for the safety of others. However, when the Apperley brothers come across a man drowning in the East River, Comanche breaks loose from his chains and swims to the man's rescue. In fact, this man, Single Jack Deems, is a convict who has just escaped from Blackwell's Island. Deems wants Comanche for himself, and trails the Apperley brothers as they journey back West. Meanwhile, Andrew has his own problems back home with dangerous outlaw and businessman Alex Shodress. Shodress has learned to steal with immunity from the law, and has imperiled everything Andrew owns. When Deems finally shows up at the Apperley ranch to buy Comanche, Andrew tells him that there is only one way he can win possession of the wolf dog, if he is willing to do it. Once again, beloved Western author Max Brand weaves a compelling story of the Old West, its systems of law and justice, and the people that lived in its time.

Customer Reviews

Max Brand is the best-known pen name of Frederick Faust, creator of such beloved characters as Destry and Dr. Kildare. Eighty motion pictures and many radio and television programs have been based on his work. Faust went to Italy as a war correspondent during World War II after the United States entered the conflict and was killed during a night attack on a hilltop village held by the German army. His literary output was so prolific that he averaged three new books per year for seventy-five years, many after his death. Brand lived in Hollywood, California.

I would recommend this book to anyone who loves a good western story with reasonable characters to give life to a great story.

Good western.

Mundane

I loved it, it was well written and moved along nicely. Thank you for a great western story. He is a great writer and will read more of his stories. Katherine Hunter

Good book, but what happen to the lawyer?

My 1st Max Brand. I'll try a few more but this one was really average at best in my opinion. Short read not particularly a good read.

I liked the book, the story was a little hard to stay with or maybe I wasn't ready to read at that time. I guess that's why just the three stars.

Great and heart warning story. Good to be able to read a good and clean book. Hope to see more of the same books.
