The Best Birthday EverBoth of my grandchildren love anything concerning Disney's Frozen. They watch the movies and playwith action figures for hours every day. So, when I found this Birthday book, I thought it would be a greatway to get my granddaughter excited about her own up coming birthday.This is such a cute little birthday story suitable for children 2-10. Any child will enjoy this sweet storyabout Anna birthday celebration. It only takes about 5 minutes to read this book from cover to cover.Perfect for a bed time story.Thank you so much for reading my review. My two year old great niece absolutely loves this book. She is fasinated by the Frozen movie, and since I am a huge believer in reading, this book was perfect as part of her birthday gift. Her Papa

told me Aletheia requests this as a bedtime story several times a week, and the length is perfect to keep her attention as well as that of her 9 month old sister Maranatha. The price when I purchased it was less than half of the suggested price of \$4.99. I love Golden Books and have purchased several different ones for Aletheia for Christmas, including a different Frozen story.

Ok, I am a Little Golden Book collector from way back...so to speak. When my daughter was growing up, Little Golden Books were a nightly ritual. We had so many different kinds and we had so many different adventures with them. Well, that daughter is now 25 and has no children, however, when I remarried I got two more kids who have since made me a grandparent. I saw these Little Golden Books and I thought, yeah, I get to continue a tradition!! This story follows the same line as the animated short by the same title. This book is of the same quality both in the construction and the picture quality as one would expect of Little Golden Books. My two little granddaughters are going to get lots of enjoyment out of these, I hope!!

My 2 and 3 year old girls adore anything frozen-related. This is yet another Frozen book that helps to soothe them to sleep and keep them entertained. I love the price, as my youngest also loves to tear books apart. The friendship between the sisters in the book is wonderful and reinforces the friendship between my daughters. I also love the support the sisters get from Hans and their friends in the kingdom.

Very cute book and everything you know and expect from Little Golden Books as far as quality goes. My Frozen obsessed niece was very happy with this being in her Christmas bag.

I bought this for my 3 year old daughter since she is having a Frozen themed birthday party this year. I'll be using it as a decoration and gift!

This book is exactly as stated! I ordered this as part of a birthday present for my 3 year old niece and she loves it. We have read it numerous times already, with no end in sight. Elsa and Anna are her two favorite people at the moment so this made a perfect gift. Overall I would definitely recommend this book to other customers. The cover is sturdy and durable and there are enough pages to make a cute story for young children.

SHE LOVED THE NEW STORY OF ANNA. YOU CAN ALWAYS COUNT ON GOLDEN BOOKS!!!
