i'v watched this dvd so many times it's not even funny. He's one of my favorites his minstry and touch me in so many ways. I cant even express it accurately!!! My relationship with the Lord has grown so much through his ministry. He has taught me alot about God & it's just a blessing to finally have another one of his ministeries that i can go to time & time again . i encouraged anyone who wants a closer walk with the Lord to get this dvd, cause it will trully bless you time & time again!! God Bless!!!

Love Kirk and Family. You will enjoy

I bought the CD a couple months ago. I was so caught up in worship. I cried - many times. See the CD review by Dondrick Taylor. Dondrick is so articulate and entertaining as he describes his feelings. That's how I felt. Check his review!The DVD is of the same concert. Now I could see what went on, far better than the few tiny screen exerpts on Utube! I highly recommend the DVD. If I had

to give away all my Kirk Franklin albums but one, heaven forbid, this is the one I would keep. His CDs up to the time of this concert in 2000, are traditional African American Church. They stir me! Then came this concert, which reveals his heart for "better dialog between blacks and whites in this country" (from his autobiography "Church Boy", page 217). From this album on, Kirk's music concentrates on horizontal ministry to the problems and hurts in the African American culture as well as to the Christian walk. I'm still collecting these albums. So this DVD sits right in the middle of two large Kirk Franklin Chapters. It is the most traditional for the Christian masses. Buy It!

nice chords. they didn't dumb the notes down!

To say that this concert experience is awesome would be an understatement! Kirk Franklin and Co. have done it again and outdone themselves! From the singing strings of the violins and cellos during the worship ballads, to the pounding percussion and bass of the "praise jams," to the WONDERFULLY uplifting, crystal clear harmonies of the choir throughout the entire production, The Rebirth of Kirk Franklin is a spiritual banquet! This, in my opinion, is one of Kirk's masterpieces. "Don't Cry" will have you in tears. "Always" will make you fall in love with Jesus Christ all over again, and "Hosanna" will have you standing up in the middle of your viewing room clapping and dancing! This is a must-have for any lover of praise and worship!
