Customer Reviews

bought this for my 9 year old son, who is obsessed with Roblox, for some summer reading. He just loves them already. I'm so glad I bought these for him and he is enjoying them.

My son loved this book!!!

My son loves this! I'm buying every one

1.It said inappropriate things such as "well, I don't want to say a cuss word.....but God WILL forgive me, right? Here goes: They say, "All...h-h.....huh...all hell broke loose." There. I didn't type the FULL word. Better. They also say, "Screw you." Other than that the book WAS enjoyable.

Good for Roblox Fans!

The third book of this series proves that Diary of a Noob is still going strong. This book has another amazing mystery for Noob to solve! The high school was a genius setting, and the mysterious disappearances help build suspense. The conclusion is a great pay off as well!

all good

I play roblox and this is funny just thinking about a noob doing that even though im not a noob it's cool!
