Author: Priscilla Shirer is a wife and mom first, but put a Bible in her hand and a message in her heart, and you'll see why thousands meet God in powerful, personal ways through her events and studies. With a Master's degree in Biblical Studies from Dallas Theological Seminary, Priscilla brings the depths of Scripture to life. Her nine Bible studies span such topics as exodus, hearing the voice of God, and biblical personalities like Jonah and Gideon. She has also written seven books, including the New York Times bestseller *The Resolution for Women*. She and her husband, Jerry, lead *Going Beyond Ministries*, through which they provide spiritual training, support, and resources to the body of Christ. They count it as their greatest privilege to serve every denomination and culture across the spectrum of the church.

This CD is a composite of different examples or lessons she gave at various speaking engagements. There are a total of twelve: A Brand New Identity, Armor, Responding to God's Voice, Experiencing God, Enough, The Unmanageable God, Aspiring to Abundance, A Single Minded Worship, Desperate Time, Desperate Measures, Anticipating the Voice of God, Life: The Edited Version, The Flip Side of God's Power. The talks range from 6 to 12 minutes each. I used them with my 11 & 13 year old daughters. We listened to one a week while eating a snack, then we had a nice discussion about it. I plan on re-listening to this CD while exercising. It has some great "food for thought." Highly recommended!

Loved this! Literally set my CD player on repeat and listened to the same devotion at least 6 times because it was as if God was sitting in the seat right next to me. So grateful for the way the Holy Spirit used Priscilla as a vessel to challenge my heart.

Amazing! Simply amazing. I love Priscilla Shirer's way with words. She conveys the word of God with such passion and in a simplicity where people of all ages are able to understand and interpret the message. I've listened to this CD for several days and I love being able to spend time with God on the way to and from work when I'm in the car. My church participated in her Gideon's bible study earlier this year and that was when I knew I had to hear more of her teachings. She was also awesome in War Room as well. I'm going to purchase more of these cds as gifts so that others can benefit from gearing the word of God from this amazing teacher.

The arrival of these CDs couldn't have come at a better time in my life. Was going through a rough patch and I needed to "hear" God's word. Priscilla is anointed with the ability to communicate in a way that encourages and convicts. Perfect for my commute. Bought five more sets to share with

friends.

I listened to the CD driving to and from work and every time I was in the car. She is an excellent speaker, the stories hit home so often, I often times wondered if this woman secretly peered into my life. The lessons are just long enough for me to make it through one and begin the next before arriving at work. This CD will set your soul on fire but most of all will provide you a deeper knowledge of God and how much he loves us. He is not a faceless figure sitting on a throne high in the sky disconnected from us as some might have us think. God is right here with us, experiencing our pain, our joy and most of all he longs for us to share those moments with him. I truly was blessed by this CD. Thanks to Priscilla for her obedience to God.

I'm sure others have this problem as well, but I'm not always the happiest to be going to work in the morning. I often wake up way too late, just enough time to throw on some clothes, grab a granola bar, and rush out the door. I have about a 30 min. drive to work. This cd has helped so much. I would love to wake up early to get some good scripture reading done in the morning before heading off, but I have not conquered that discipline yet. Consequently, these devotions have helped me a lot to get in the right mindset before facing the day and difficult people. I'd highly recommend these, as well as Shirer's other full study books.

Wow, I highly recommend this devotional CD. Great while riding in your car or simply listening to it at home. The cadence and tone of Priscilla's voice when telling a story leaves you spell-bound and desperately waiting to hear more. I truly love how she weaves her personal stories throughout the text as she illustrates biblical truths. Great devotional messages. Great delivery. Great 2-CD set. And you simply cannot beat the great \$5 price. That's right, \$5!!! I plan to purchase several more to give away as gifts. And with the Christmas holiday coming soon, "Devotions from Priscilla Shirer - Audio CD" will definitely prove to be a great gift for your friends and loved ones without going into debt.

I have only had for about 4 days and I listen to it every time I drive my car. She moves, she makes me rethink about GOD and all that he does every day of our lives. When is the next one coming out... Please let me know!!!
